Boscawen, N. H., May 7, 1952

There was a meeting of the Executive Committee of the Merrimack County Delegation held at the County Farm on Wednesday, May 7, 1952. The following members were present:

John P. H. Chandler  
John Bunten  
Clyde Loiselle  
Peter Charland  
James Ferrin

Also present were the Commissioners, Mr. Perkins, Mr. Morgan and Mr. Gilman with Mr. and Mrs. Paul Fenton. The meeting was called to order at 10:30 a. m. by Chairman Chandler. He stated that he had invited Mr. Rainie, Mr. Ferguson and Mr. Kauffman to the meeting. A card was read stating that Mr. Rainie could not attend due to another engagement. Mr. Chandler reported the auditors' salary had been increased by order of the Court from \$100.00 to \$250.00 per annum plus travel expenses. Discussion followed. Expenditure and appropriation record covering the first quarter of 1952 was received and discussed. The unexpended balance of the 1951 appropriation was the subject of much discussion. Motion by Mr. Ferrin, which was seconded by Mr. Bunten, that the unexpended balance from 1951 be retained and used for reduction of amounts to be borrowed and for such other use as the committees and Commissioners may deem necessary. Motion carried.

Meeting adjourned at 12:30 p. m. for lunch and reopened at 1:20 p. m. Fenton reported the need of purchasing a tractor to replace small tractor. No action

was taken by the committee. Purchase can be made by the Commissioners and Mr. Fenton.

There was a discussion of the type of accounting system in use. No action was taken by Mr. Loiselles and Mr. Bunten suggested that a cost accounting system should be set up for some items.

Mr. Perkins read a communication from Mr. Kellogg of the Board of Fire Control making recommendations for better fire protection by the purchase of hose and other equipment. Motion by Mr. Charland, which was seconded by Mr. Ferrin that the Commissioners purchase and install one two-way hydrant and 6-inch cast iron branch feeder to same from the existing 6-inch main at bottom of hill near storage shed.

Mr. Fenton reported on the need to remodel the kitchen in the main building. This must be done to meet the State Board of Health requirements.

The heating plant — requirements, repair or rebuilding — was discussed. No action was taken.

The meeting was adjourned at 2:35 p. m. by motion of Mr. Charland, seconded by Mr. Ferrin.

## REPORT OF COUNTY COMMISSIONERS

---

*To the Citizens of Merrimack County:*

In compliance with the Revised Laws of the State of New Hampshire as amended in 1942, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of Superior Court, Auditors, Superintendent of County Farm and House of Correction, Farm Physician, Chaplain, and County Extension Service and County Forester for the year ending December 31, 1952.

### COUNTY FARM

Reference is made to the report of Superintendent and Matron which is a part hereof. The Commissioners concur with the statements and recommendation of Mr. and Mrs. Arthur Embree. We would also like to express our appreciation of the services rendered by Mr. and Mrs. Paul Fenton who concluded their duties as Superintendent and Matron on November 1, 1952, at which time Mr. Paul Fenton was appointed County Agent for Merrimack County. We wish him every success in his new venture.

We desire to make mention and express our appreciation of the work of the Federated Business and Professional Women's Club of Concord who provided a most successful Christmas party at the County Home.

The population at the County Home has been unusually high throughout the year. During the early fall as many as 175 persons were inmates of the Home, House of Correction, and Jail with resultant increased expenditures for food, supplies and clothing. The budget for the County Home and County Farm was accordingly exceeded. However, this over expenditure was offset to a considerable extent by increased earnings from the larger number of privately supported inmates.

## WELFARE AND RELIEF

The boarded children program averaging about 150 persons per month and carrying a minimum individual expenditure of \$35.00 per month, resulted in an expenditure of \$63,341.45 or \$1,658.55 less than the budget figure.

## WELFARE WORK PROGRAM

The work program during the year 1952 was of necessity less productive in man-hours than during the three previous years. Only 31½ work days at both the County Farm and Court House were realized from relief recipients. It was evident that recipients of County assistance have been able to obtain private employment and prefer work at other employment areas. It shows conclusively that the work program has been beneficial to both the taxpayers and the former relief recipients who are now self-supporting.

## BUDGET

The biennium budget for 1951 and 1952 was adopted on an austerity basis program. It, accordingly, necessitated great economies in operation and the avoidance of maintenance items in order to meet the stipulated budget.

Several of these items were of necessity exceeded. The first of any substance was that of Medical Referee in the sum of \$310.86. This item is one over which your Commissioners have no control; accidental deaths and suicides require statutory investigation and report.

Expense of Above Officers exceeded the budget figure by the sum of \$378.79. This overage was due, in part, to increased travel expense of the Commissioners from Bow and Franklin as well as the Solicitor's travel in connection with his numerous criminal investigations.

Care and Supplies of Court House exceeded the budget allowance by the sum of \$311.59. This was an overage that arose entirely as a matter of maintenance and repair.

Jury Payrolls was exceeded by \$2,226.12. This item depends entirely upon the volume of trials in the discharge of judicial procedure, as is the overage in State vs. —, including Psychopath Medical \$903.08; Stenographer, etc., \$230.83; Incidental Expenditures of Clerk of Superior Court \$1,898.77; Sheriff and Deputies, including telephone, meals for jurors, and transportation for prisoners, \$561.96.

The Public Welfare program as referred to under the County Farm and Home, was exceeded \$54,868.98. This, in part, has been overcome by the fact that our earnings at the County Home were \$80,216.46, or double the anticipated income largely because of the increased population. On the opposite side of this item we would like to bring to your attention that in connection with Support of Poor Off Farm the budget of \$80,000.00 an unexpended balance of \$28,106.45, and further that under the Soldiers' Aid item of \$17,000.00 there is an unexpended balance of \$4,063.43, all a net total of these of \$32,169.88. Under Board and Care of Children, previously mentioned, there was an unexpended balance of \$1,658.55; under Old Age Assistance there was an unexpended balance of \$3,776.48. Welfare Administration also disclosed an unexpended balance of \$4,154.58.

In conclusion your Commissioners submit that for the second part of the biennial budget the County is again operating within its budgetary appropriation with a surplus of \$32,754.88. However, there are numerous items of maintenance that were neglected in view of the mandatory budget limitations. As stated by Superintendent Embree, there are a considerable number of improvements, repairs, and replacements advisable at the

County Home and Farm, including farm equipment heating facilities, renovation of the kitchen, renewal of water pipes and the construction of a tool and equipment shed.

At the County Court House there are repairs, replacements, and painting, which are badly in need of attention. These items are being submitted to the Budget Committee and Delegation at the 1953 session.

Every reasonable effort will be made to keep expenses to a minimum having in mind proper and economical maintenance.

*To the Board of County Commissioners,  
Merrimack County:*

Gentlemen:

We are presenting our first annual report after being on the job only two months, so the report will of necessity be short.

Mr. and Mrs. Fenton left November 1st and since that time we have been busy familiarizing ourselves with the details of operation.

During the month of November we were able to finish the drainage and grading around the cow barn so that when spring comes, we will be able to seed the area and have an attractive unit.

#### POPULATION

The population of the Institution has remained relatively high throughout the year, especially in the Hospital section. We have discontinued the so-called Maternity Unit in the County Hospital. Prospective mothers may come to the Institution and then return to the Institution after delivery if necessary but the mothers are taken to a city hospital for delivery. This is much more satisfactory. If we were to continue to have deliveries at the Institution, it would have been necessary for us to purchase a considerable amount of new equipment. This also released room enough so we could care for six more patients. Since the demand for beds on the Women's Side has been very heavy, we could use this room to good advantage.

#### EMPLOYEES

Mr. and Mrs. Paul Fenton left the Institution November 1, 1952. We all felt very sorry to have them go. Mr. Fenton accepted the appointment as County Agent. They moved back to their farm in Andover. We all

join in wishing them the best of luck, but for the most part our turnover has been very small.

When we took over as Superintendent and Matron, Mrs. Turnblom took over as housekeeper and Mrs. May Silver replaced her in the laundry. Mr. John Preston, our gardener, took over as temporary Farm Boss, we hope soon to have a regular Farm Boss. During the year, the following have gone to work: Leo Mathieu on the Men's Side, Eben Boyce in the Men's Hospital, Ruth Keyes in the Women's Hospital, Maude Fitts for night duty in the Hospital. Frank Given replaced William Ward in the Kitchen.

#### IMPROVEMENTS

During the haying season our haying equipment broke down and it was necessary for us to purchase a new bailer. The purchase of this bailer puts our farm in good condition except for a potato digger. It will be necessary to purchase some equipment in the near future.

The reconditioning of the electrical system proved very beneficial. We have noticed a decided improvement in the entire system this year.

#### CONTRIBUTIONS

The merchants of Concord and Franklin and vicinity very kindly donated money so we could purchase a television set for the Institution. The set has now been purchased and is greatly enjoyed by members of the Home. To all who contributed, we want to say "Thank You."

We want to express our sincere appreciation to Miss Bessie Gray and her committee of the Concord B. P. W. for the splendid party they sponsored at Christmas time, also for the nice gifts of clothing and for the nice baskets of fruit and candy. Through their hard work, they

bring untold happiness to members of the Home each year.

We also want to thank the Salvation Army for their bountiful donation.

The Junior Choir of Boscawen Congregational Church directed by Mrs. Marjory Emery rendered a program of Christmas carols for the people of the Home during the holidays which was listened to with much joy and thankfulness.

#### FUTURE CONSIDERATIONS

1. New farm trucks. One truck should be replaced each year in the next two.
2. New heating plant.
3. Renovation of kitchen.
4. Construction of tool shed.
5. Renewal of water pipes.

We have had several groups visit us during the year. In September, the Concord Rotary Club visited the Institution and took part in a chicken barbecue. Earlier in the year, the Franklin Rotary Club and Franklin Kiwanis Club were entertained at a meal. Visitors are always welcome and we hope the citizens will feel free to inspect the Institution at any time.

To the Staff, Commissioners, Clergy, Doctor, State, Town and County Officials, we want to express our sincere appreciation for their loyalty and co-operation.

Yours respectfully,

ARTHUR R. EMBREE,  
*Superintendent.*  
BEATRICE B. EMBREE,  
*Matron.*

## CHAPLAIN'S STATEMENT

---

### REPORT OF SERVICES AT THE MERRIMACK COUNTY HOME

The work of the Chaplain at the County Home has consisted largely of the two church services a month, October through June. In these services, the gospel hymns are sung, the Bible read, prayers made, and spiritual messages given. Additional contacts are occasionally made where problems or interests may be shared. Some of the services are of a special nature such as Easter and Christmas. An occasional baptism is performed. The young people from the Boscawen Church have assisted at one service and the junior choir of the same church have also helped with the music. Mrs. Harry Turnblom has served as pianist.

Respectfully submitted,

J. LINCOLN THOMAS,  
*Chaplain.*

Rev. Morrill and Rev. Shepard have conducted Episcopal Services the first Monday of each month and Catholic services were held at the direction of Father Daniszewski, Father Houde and the new assistant, Father Piwowar.

The services have added much to the people in the Home and the efforts of the clergy are greatly appreciated.

## REPORT OF THE PHYSICIAN

---

*To the Commissioners of Merrimack County:*

Gentlemen:

Another year, that of 1952, has been satisfactorily concluded and as physician to the Merrimack County Home I submit my yearly report.

It was with deep regret that we paid our farewell respects to Mr. and Mrs. Paul Fenton. We wish them much success in their future undertakings. We are very fortunate in having Mr. and Mrs. Embree succeed them as Matron and Superintendent.

This year has brought about one change in our hospital. The Obstetrical Division has been closed and these patients will be transferred to the hospitals in the County where there is more equipment available to meet emergencies. Economically, however, this is not a loss to our hospital as it enables us to care for more bed-ridden patients.

I am most grateful to our nursing staff for the outstanding duties they have performed during the year. Again they are responsible for high degree of infirmary care.

I am pleased to report that there have been no serious epidemics this year.

I strongly suggest that the services of a part-time dietician be obtained to supervise the menus, and especially to supervise the preparation of food to be served to infirmary patients.

I wish, at this time, to express my deep gratitude to the Superintendent, Matron and Board of Commissioners for their assistance during the year of 1952.

Yours Respectfully,

J. KENNETH McLEOD, M.D.
